As a customer within an embedded network you have the option of seeking alternate retail energy pricing offers from retailers. Should you opt to take retail electricity from another provider, you will receive an energy only bill from your retailer of choice and a second distribution network charges bill from OC Energy. OC Energy has appointed Choice Metering as its Embedded Network Manager.

Energy Made Easy

Energy Made Easy is an Australian Government website where you may be able to compare energy offers. Visit Energy Made Easy at www.energymadeeasy.gov.au.
